Dear Dr. Goldentyer,

On September 20, 2005, we wrote to you asking to cancel our Animal Welfare Registration. Attached is our final annual report.

There are no longer any prairie voles at this institution. There were 42 prairie voles remaining in September 2005, and they were euthanized by exposure to carbon dioxide. We do not expect to conduct any further studies on animals subject to the Animal Welfare Act.

If you need additional information, please feel free to contact me at 910-962-3091 or
If I am not available, please contact the regulatory compliance officer,
